Headline:
Warm and sunny mainland, cloudier for Western Isles.

This Evening and Tonight:
A fine end to the day with mainly sunny then clear skies, although cloudier for the Western Isles. A mild night and breezy around some coasts, perhaps some low cloud and mist affecting the Caithness coast. Minimum temperature 10 deg C (50 deg F).

Tuesday:
Another mainly sunny and warm or very warm day, more in the way of cloud for the Western Isles. Breezy at times, mainly over Caithness and across the Uists. Maximum temperature 24 deg C (75 deg F).

Outlook for Wednesday to Friday:
Remaining dry, warm and sunny on Wednesday, although patchy haar possible around the Caithness coast. Still plenty of dry and bright weather on Thursday and Friday, but showery rain possible.
